

em Editorial Manager®

Editorial Manager™ is a user-friendly online submission and review management system.

Authors may submit manuscripts and track their progress in the system. **Reviewers** can download manuscripts and submit their recommendations to the Editor, and **Editors** can manage the whole submission/review/revision/decision process.

Benefits of using Editorial Manager™

- Easy online submission of manuscripts
- Compiles real-time statistics
- Improves peer-review turnaround times
- Each journal has its own unique site
